👤 *Professional Profile*

Highly motivated Computing graduate with a First-Class Honours degree and a passion for leveraging technology to solve complex problems. I am seeking a dynamic graduate role where I can contribute to impactful projects, further develop my skills, and collaborate effectively within a forward-thinking team.

⚙ *Core Skills*

- HTML/CSS/Bootstrap
- Python
- UX design/Web design
- SQL/MongoDB/Firebase
- Problem Solving

- NodeJS/JavaScript/React
- Java
- Data Analysis/Data science
- Results-driven
- Back-end Development

🎓 *Education*

- **Bachelor's degree in Computer Science** | Southampton Solent University | Oct 2021 - Jun 2024

  Programme Highlights:
  · Web Development: Built dynamic and responsive websites using HTML, CSS, JavaScript, and React, resulting in increased user engagement.
  · Software Development: Developed custom applications in JavaScript, Java, and Python, improving process efficiency.
  · Data Analysis/Science: Streamlined data processing using Excel and Python's Pandas library.
  · UX/UI Design: Created intuitive user interfaces using Figma and managed projects with Trello, enhancing user experience.
  · Network & Security: Implemented robust network architecture and cybersecurity measures to strengthen data security.

💼 *Career Summary*

Jul 2022 - Present   **Norse Atlantic Airways, London Gatwick**
                               Flight Attendant

Outline

I joined Norse Atlantic at its launch, helping to shape the onboard service and safety culture. This contributed to the airline's early growth and reputation across transatlantic routes.

Key Responsibilities
- Performed safety and security checks before each flight
- Delivered in-flight service on long-haul routes
- Provided first aid and managed medical situations
- Followed emergency procedures and aviation regulations
- Worked closely with international crew teams

Key Achievements
- Part of Norse Atlantic's first-ever cabin crew team
- Maintained a 100% safety record with zero incidents
- Mentored new flight attendants
- Helped improve passenger satisfaction scores in the first year

Nov 2021 - Jul 2022   **NHS Professionals, Sheffield**
                                 Admin Clerk – NHS Professionals (Radiology Reception)

Outline

Provide exceptional patient and visitor services by managing access to wards, responding to inquiries, and ensuring timely assistance. Maintain patient confidentiality while accurately updating records in the PAS system, managing demographics, and preparing necessary documentation. Deliver comprehensive medical records support, including efficient retrieval, filing, and maintenance of patient case notes.
Coordinate patient transportation as needed.

Mar 2021 - Jul 2021   **Parseq Ltd , Rotherham**
                                 Data Entry Clerk

Outline

· Coded and classified UK Census 2020 data in line with government standards.
· Handled confidential records and ensured data accuracy for national reports.

Feb 2010 - Jan 2021   **Geolog/Shlumberger/Norwegian**
                                 Earlier Experience (Summary)

Outline

· Field Specialist – Schlumberger & Geolog (2010–2014): Gas detection, data interpretation, geological analysis
· Team Leader – Fieldrose Ltd (2014–2017): Managed team operations, achieved KPIs, ensured service excellence
· Flight Attendant – Norwegian Airlines (2017–2021): Delivered safety and customer support in fast-paced environments
